SERVICE HOURS REPORT

(Tell how you went about finding places to do service).

(What service did you do and where did you do it?).

(How was your experience? Be honest. Here are some examples:

“I found it difficult to work with the senior citizens at the nursing home. I enjoyed helping the little children at day camp much better.”

OR

“I really like working at PADS and think I might like to work there again when I get into high school.”

OR

“I thought I would like helping out at the library, but it was too slow moving for me. I prefer to work outside raking leaves or shoveling snow.”)

(Tell about people you met and friends you may have made during your service).

(Did you accomplish anything that you weren't aware you could do? If so, describe what it was.)

(What connection do you see between your service and the work that Jesus did? Are there any Scripture stories that remind you of the work you did?)

(Have you considered remaining on as a volunteer or minister? Why or why not?)
